Persons on Federal disqualification cannot transport horses to this show and may only participate as a spectator!

Announcements day of show take precedence over any other announcement!

On behalf of the Walking Horse Jubilee, I would like to send a heartfelt thank you to everyone for your sponsorships and support. So much work goes into a horse show and without sponsorships and support it would not be possible! This year's charity is for a wonderful cause and The Crumley House Brain Injury Rehabilitation Center is very appreciative! So not only have you helped to put on a horse show but most importantly you have helped a suffering individual or their family along with helping to fund The Crumley House Brain Injury Rehabilitation Center.
