Horse Spot: Add Your Horses

Once you have your account and you are LOGGED IN, click on your Account name (1) in the upper right corner. A pop-up menu will appear. From there you can click on (2) My Horses or My People to go into your account.

Once you are in your account, you can click on (1) My Horses to (2) Add a new horse. You can also Modify, or Remove horses from your account from here.

After you have added the horse's information, you will need to add the TWHBEA registration number by going to (1) Add Org. You will then search for (2) TWHBEA and add the Membership Id (Registration #).

FYI: We are working with Horse Spot to integrate with the TWHBEA iPeds system. Hopefully soon, you will be able to search the Registration Number and it will automatically populate all the information.

Horse Spot: Add Your People

Once you are in your account, you can click on **(1) My People** to **(2) Add a new Person**. You can also Modify, or Remove people from your account from here.

After you have added the person's information, if they are a trainer, you will need to add the WHTA Trainers' License Number by going to **(1) Organizations**. You will then search for **(2) WHTA** and add the **Membership Id** (License #).

The form includes fields for 'First Name', 'Last Name', 'Email', 'Phone', 'Birth Date', 'Country', and 'Address 1'. There are 'Cancel' and 'Save' buttons at the bottom.A screenshot of the 'New Person' form, specifically the 'Organizations' section. A search dropdown is open, showing 'WHTA - Walking Horse Traine' with a red arrow pointing to it. There is a 'Membership Id' field with a red border and a 'Required' label. 'Add org' and 'Remove Orgs' buttons are visible. 'Cancel' and 'Save' buttons are at the bottom.

EMAIL ADDRESS: When adding people to your database, email address is a required field. However, if the individual does not have an email, you can use your email address for any individual. The same is true for the phone number field.

PAYMENT METHODS: You are **NOT** required to put a payment method in for individuals, so you can skip this tab. As more shows use this system, some may offer the ability to pay via credit card.

Entermywalkinghorse.com

Entermywalkinghorse.com will continue to link to shows that are using either the NEW Horse Spot system or the old entermywalkinghorse.com form.

Shows that are on the NEW Horse Spot system will be a **RED** button and those using the older form system will be a **BLUE** button.

If you have questions about either system, email twentries@gmail.com.
