Attn: Board of Directors
CEO Mike Inman

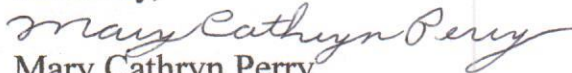

Dear Board members:

It is with a heavy heart that I write this letter. The Shelbyville Civitan Club has disbanded due to a lack of active membership and will no longer be able to run our booth at the TWHNC. To be honest, The Celebration is what has kept this club a float for many years. You have been our backbone. My family has worked in our booth for more than 40 years, so I want you to know how hard this is for me. With the help of the Celebration, our club has donated thousands of dollars to the special needs people of Bedford County. Thank you! Please know how much we appreciate the opportunity you have given us and our community all these years.

We are in the process of cleaning out the booth now. Hopefully it will not take us much longer. We will turn in our keys to you when this is complete. We are leaving Coca Cola's coolers and the long table in the back room. The storage room has a water heater in it. The Hush Puppy people never came back for their machine. We have tried to contact them several times and will continue to try to reach them.

If you have any questions, please contact me or my husband, Allen Perry. Again, thank you for the opportunity and privilege of having a booth at the Celebration for all these years.

Sincerely,

Mary Cathryn Perry
