Walking Horse Trainers' Auxiliary Scholarship Application

The WHTA (Walking Horse Trainers' Auxiliary) is a national non-profit organization dedicated to charitable organizations, such as the programs for handicapped riders, and the promotion of the Tennessee Walking Horse.

Each year the Auxiliary awards scholarships to any person involved with Tennessee Walking Horses who is furthering his/her education. Scholarships are based on need, merit, and Auxiliary members and/or their families. **These scholarships are for those in college and those starting college.**

The following check list includes **required** criteria for each of these scholarships:

- Completed Resume (see sample resume in packet)
- Rank in class and size (should be on resume)
- ACT or SAT scores (should be on resume)
- Official high school or college transcript
- Two letters of recommendation: one from a teacher and one from community member or church leader – other than relatives
- Essay about **applicant's** contributions to the Walking Horse Industry (**not family member's contribution**)
- Financial needs (FASFA confirmation **supplied by applicant**). This is the confirmation page that contains the EOC number. (Example included in packet).
- Scholarships already awarded and amount awarded (including Tennessee Hope Lottery and Tennessee Promise)
- * Essay of not more than 750 typed words to include information regarding need for scholarship, experiences in employment, course of study, reason for career choice, and *your* involvement in the walking horse industry. Do not include your name, your parents' names or family members' names in this essay. The essay is evaluated for content as well as organization and *correct use of the English language*.
- * If applying for the Auxiliary scholarship, please include in your essay the Auxiliary member's name, her years of membership, and her contribution(s).
- * If you receive a scholarship, we will work with you if the scholarship needs to be divided into more than one semester. **Contact Beth Thomas** 931-580-6825. She has experience in determining whether you may not want to send the entire amount the first semester to the college in order to prevent reduction of other scholarships you may have received.

Each application is professionally evaluated and scored by several qualified professional people. Scholarship recipients are notified soon after the deadline. The scholarships will be awarded during the Money Tree Classic (around July 4). You will be notified by Beth Thomas or Kari Tisma and given needed information.

You may reapply annually if you have not received any of the Auxiliary Scholarships. In other words, you may receive only **one** scholarship from the Auxiliary. Once you have been a recipient, you are no longer eligible.
